Today's Message: The Blessings in Adversity

2 Kings 4:1 - 7

Adversity or problems are common to mankind. Adversity, problems, or hardship can come in different areas of life – social, physical, intellectual, financial, psychological or physiological. Some problems are self-inflicted because of unwise choices and foolish actions. However, some are just part of human existence. In many cases when we know how to handle our adverse situations, they can become blessings to us.

I. The Universality of Problems

Job 14:1; 5:17; Ecclesiastes 2:22,23; John 16:33; Acts 14:22; 1 Peter 4: 12 – 16; 1:7; Psalms 34:15 – 19.

Since the fall of man, man's life is a continuous journey through problems. Just as economic recession brings problems, economic boom also comes with problems of its own.

II. The Blessings of Problems

2 Kings 4:1 - 7

Problems, adversity, hardship, troubles are not a good thing, and no one welcomes problems in his or her life. However, most problems are opportunities in disguise. Problems are God's opportunities to demonstrate His grace, love and strength in our lives.

Genesis 32:20 – 32; 37:19 – 36; 1 Samuel 1:1 – 28; 2 Chronicles 20:1 – 25; 32:1 - 22
