A SAVIOR IS BORN

Luke 2:1-14

As the Christmas Story in our text goes, when Jesus was born in a Manger in Bethlehem, an Angel appeared to Shepherds watching over their flock by night. The message of the Angel is the reason for Christmas. We celebrate at Christmas, the good tidings of great joy to all people – A SAVIOR IS BORN. A Savior is born to save mankind from Sin, Sickness, and Satan.

I.   **JESUS SAVES FROM SIN**
     Luke 2:11; Matt. 1:21; Luke 19:10; John 3:17; I Tim. 1:15; Rom 7:15-25

     Since the Fall of Man in the Garden of Eden, man has been struggling with sin. There is a spirit and a power behind committing sin. Every mankind born on earth struggles in doing things that he/she hates. But thanks be God for Jesus Christ.

II. **CHRIST JESUS SAVES FROM SICKNESS**
     Mark 1:32-34; 1:40-45; 2:1-11; 3:1-5; 5:15,25-34; Acts 3:1-10; Isaiah 53:4,6; Mark 16:15-18

     Healing is a gift from God. Human physicians may try but it is God who heals. When Jesus was on earth, all manner of sickness were brought to Him, and He healed them. At the Name of Jesus, the Apostles also healed.

III. **JESUS CHRIST SAVES FROM SATAN**
     Rev. 12:7-12; John 10:10; 2Cor. 10: 3-5; Ephesians 6:10-18; I Pet. 5:8; Luke 10:17-20

     In the beginning, there was war in heaven and the Old Serpent, Satan was cast into the earth. Even though we walk in the flesh, we do not war after the flesh but against principalities and powers. Satan steals, kills and destroys; but thank God A Savior is Born to give abundant life and to destroy the works of the devil.
